

Acme Technologies – Employee Handbook

Dummy document for RAG learning and testing

1. Company Overview

Acme Technologies is a fictional software company that develops web applications, cloud solutions, and data management systems. The company was founded in 2018 and has offices in Delhi, Bengaluru, and Pune.

The company's main technology areas are .NET, Python, React, SQL Server, cloud computing, and artificial intelligence.

2. Working Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday through Friday. Employees receive a one-hour lunch break. Teams may use flexible working hours when approved by their manager.

3. Leave Policy

Full-time employees receive 24 paid leave days per calendar year. Employees should submit planned leave requests at least three working days before the leave date. Emergency leave should be communicated to the manager as soon as possible.

Unused paid leave can be carried forward for a maximum of 12 days into the next calendar year. Leave beyond the carry-forward limit expires at the end of the year.

4. Work From Home Policy

Employees may work from home up to two days per week with manager approval. Employees working remotely must remain available during core hours from 10:00 AM to 5:00 PM and must have a reliable internet connection.

5. Technology and Security

Company laptops must use password protection and automatic screen locking. Employees must not share company credentials with other people. Sensitive company documents should only be stored in approved company storage systems.

Security incidents, suspicious emails, or lost company devices must be reported to the IT team within 24 hours.

6. Employee Benefits

Benefit	Details
Health Insurance	Coverage is provided to eligible full-time employees.
Learning Budget	Employees receive an annual learning budget of INR 20,000.
Internet Allowance	Remote employees may claim up to INR 1,000 per month.
Performance Bonus	Eligible employees may receive an annual performance bonus.

7. Contact Information

For HR questions, contact hr@acmetech.example. For technical support, contact support@acmetech.example. For security incidents, contact security@acmetech.example.

8. Example RAG Questions

- How many paid leave days does an employee receive?
- How many days of leave can be carried forward?
- What are the standard working hours?
- How many days per week can an employee work from home?
- What is the annual learning budget?
- How quickly should a lost company device be reported?
